PHOTOLA Whova

How to Download the Whova App

The Whova event app is for free for event attendees. To download the app, please follow the step below:

- Open up the Apple Store or Google Play on your mobile device, and search for 'Whova'.

How to Sign In

1. Sign in options
    - Enter the email address you used for event registration
    - Or, use your social media account
2. Create password and type in your name.

How to Access the App on Your Desktop

Once you follow the steps above and create your account within the Whova app, you will be able to access a link that allows you to view the app on your desktop as well. The web app link can be found in two places:

1. On the mobile app, when you click into a session on the agenda, there is an option to "Watch on Desktop." By selecting this, the web app link will be sent to your email.
2. The event organizer will share the web app link with you via announcement.
